Thursday, February 8, 2007 through Friday, February 9, 2007

Accredited 401k Training for Retirement Professionals to be Offered February 8-9 through Robert Morris University, Pittsburgh

The 401k Service Training Program™, accredited by Robert Morris University, will be offered February 8-9 in Pittsburgh.

The two-day, 16-hour program for investment advisors, consultants and benefits administrators features a turnkey 401k service model and over 150 tools and templates organized into six plan management steps to 401k success.

The Program culminates in the Professional Plan™ (PPC) designation following a comprehensive exam.

The 401k Service Training Program qualifies for continuing education credit hours for CFPs and accounting professionals.
