

The 401k Service Training Program™ - Classroom

[Details](#) [Sessions](#) [Notes](#) [Speakers](#) [Reviews](#) [Discussion](#) [Media](#) [Events](#)

DESCRIPTION

The 401k Service Training Program™ teaches professionals six steps critical to managing a successful and compliant employer-sponsored plan and culminates in the Professional Plan Consultant™ (PPC™) designation.

The 401k Service Training Program is the only course that sets service standards in the retirement plan industry and imparts professionals not only with the knowledge, but the tools needed to meet (and exceed) those standards.
